CAREER OBJECTIVE

Student at National Engineering College | To leverage my technical skills and knowledge gained during my IT studies to excel in software development, with a strong focus on Web Development,UI/UX Design, Augmented/Virtual Reality, Internet of Things (IoT) and Computational Intelligence.Passionate about building innovative solutions and enhancing user experiences through technology.

EXPERIENCE

- ✓ **Prodigy InfoTech** 01-02-2025 - 28-02-2025
Internship
Web Development - Built responsive web applications

EDUCATION

- ✓ **HOLY CROSS MATRICULATION HIGHER SECONDARY SCHOOL,MARANTHAI** 2022
HSC 1st year
95%
- ✓ **HOLY CROSS MATRICULATION HIGHER SECONDARY SCHOOL,MARANTHAI** 2023
HSC 2nd year
93.5%
- ✓ **NATIONAL ENGINEERING COLLEGE,KOVILPATTI** 2024-2027
B.Tech Information Technology
8.56cgpa

PROJECTS

- ✓ **1.Responsive Landing Page**
Built a responsive landing page with an interactive nav bar, smooth transitions, and scroll effects.
- ✓ **2.Stopwatch**
Built a stopwatch with start, pause, reset, and lap functionalities. Ensured accurate time tracking with a minimalist and responsive UI.
- ✓ **3.Tic-Tac-Toe**
Developed a Tic-Tac-Toe game with PvP and AI modes, real-time move tracking, and win detection.
- ✓ **4.My Portfolio**
Designed a portfolio showcasing projects, skills, and experience with a modern, interactive, and fully responsive layout.
- ✓ **5.Weather App**
Developed a weather app fetching real-time data via API, displaying temperature, conditions, and location-based forecasts.
- ✓ **6.AI-Based Learning Dashboard**
My learning dashboard features AI voice assistance, course recommendations, badges, rankings, a virtual lab, and a code editor for interactive learning.

ONLINE COURSES

•Technical English(NPTEL) - 2023 - 75%(ELITE+SILVER) •The Joy of Computing in Python(NPTEL) - 2024 - 63%(ELITE) •Introduction To Internet of Things(NPTEL) - 2024 - 87%(ELITE+SILVER)

ACHIEVEMENTS & AWARDS

•Centum in CS(HSE 2nd year) •First Class(Typewriting English Junior) •Runner Up(District Level Badminton Under 19) •Smart India Hackthon - 2024(Qualified for Round 1)

AREA OF INTERESTS

•Web Development •Data Science and Analytics •Artificial Intelligence and Machine Learning •Internet of Things(IoT) •UI/UX Design
•Computational Intelligence

CORE SKILLS

•C •C++ •Java •Web designing •Network Addressing and Basic Troubleshooting

SOFT SKILLS

•Critical Thinking •Effective Communication •Problem Solving •Leadership •Handling Pressure •Punctuality

LANGUAGES KNOWN

•English: Full Professional Proficiency •Hindi: Elementary Proficiency (Reading and Writing)
